Attendance

Please remember that if your child is off school for illness, we ask that you provide either a letter explaining the absence or a copy of the appointment card/prescription when they return to school.

Mornings in the school playground

Thank you to all those parents who are getting their children into school promptly each day. The number of late arrivals has really dropped.

Now that all classes line up before school, we are able to get the children into class quickly. To help the children and teachers, please can you stand back from the lines when the bell goes.

I appreciate that some parents want to make sure that their children are OK, but the children are used to lining up and do it after every playtime and lunchtime. If parents can move to the back of the playground it will allow the children to line up and the teachers to get the classes into school promptly. Thank you.

Please also remember that we aim to lock the playground gates at 9am. If you are late arriving, please can you take your child to the office to sign in.

New school website

We are busy adding information to the new school website and hope to have it up and running within the next two weeks. Until then, we will continue to pass on information using our Facebook and Twitter pages. A sneak peek of the site is below.
