Reading meeting

Parents are invited to meet with staff to find out how we teach reading at Glade and what you can do to support your child's learning.

We use the read Write Inc programme and you can find out all about it at 2.30pm on Wednesday 19th September.

Playtimes and lunchtimes

For those who did not see the letter sent home on Friday, we will be changing the arrangements for playtimes and lunchtimes from this week. This is in response to comments from children, parents and staff.

Now that we have so many pupils, with ages from 4 to 11, we are having collisions between older and younger pupils. For that reason, KS2 (Years 3, 4, 5, 6) will now use the front playground, while YR, Y1 and Y2 use the back playground. This will allow the older children to play their games without worrying that they may accidentally hurt the younger ones. It will also give some reassurance to the parents of the younger children.

We are in the process of improving the area around the Friendship stop which will be an area where all children will be able to mix in a relaxed and calm manner.

This only applies to the playground. When the children are on the field, there is much more room, and so they will be allowed to play where they like.

Parents of Year 6

All children in Year 6 (Kestrels) were given information on transfer to high school this week.

It is very important that you complete this paperwork and return it to Suffolk County Council before 31st October. Please do not return the forms to school.

If you do not return the forms on time, you may not get your choice of high school.
