Year 6

The observant amongst you may have spotted that there are no Y6 pupils in Star of the Week. This isn't because they haven't been great but because they have vanished!

Most of our Y6 pupils have now gone to their high school transition for 2 weeks and will be back for the final week, just in time for the others to go to their transition days! While they are gone, we will use the time to get our Y5 children ready and settled in their new classroom.

Sainsbury's vouchers

Thank you to everyone who have brought in Sainsbury vouchers. We have had about 2,000 so far, so if you have any at home, please can you send them in ASAP. I would also like to thank Mrs Connell who has painstakingly counted all of the vouchers.

Lining up at the start of the day

Now that we have the front playground clear, the children will return to lining up outside the classrooms on the front playground.

Please can I ask that parents stand back from the lines when the bell has rung. The children are used to lining up without parents as they do it after every playtime. It is hard to monitor the lines when there are parents surrounding the children.

As soon as the bell has rung, parents are welcome to leave their children in the line (it also means that you get home earlier!)
