Upcoming events

On Friday 22nd November we will be holding an anti-bullying day. The whole week is national anti-bullying week, and children will be taking part in activities to make them more aware of what bullying is, and how everyone can take a part in tackling it.

On Tuesday 3rd December, children will be taking part in a maths WOW day, as part of the national NSPCC number day. children will take part in a range of activities to show them that maths is fun, whilst raising money for the NSPCC. We will be asking children to come into school wearing clothes that have a mathematical theme. This could be shapes on the clothes, repeating patterns or numbers. Further information will be sent home later this month.

On Tuesday 10th December, we will be visited by the author Jack Trelawny, who has written a number of pirate books and so the whole school will be having a pirate day. children are invited to dress as a pirate for that day.
