Behaviour for Learning

This week, we start a new programme to develop children's learning behaviour and help them to be more engaged in class. We have based it around the school name, GLADE

- Groupwork
- Listening & Speaking
- Actions
- Determination
- Empathy

Each half term, we will focus on one area, with children having targets to work towards, based on their age. This half term, we are looking at **Actions**. Please take a few minutes to speak with your child about what they have been learning.

This term, our stars of the Week are nominated by teachers for using the right actions and showing that they are responsible citizens of Glade.

Please remember to name your children's clothes. It doesn't guarantee that they won't get lost, but it will make it easier to get them back to you.
