School trips

Last week saw Wrens and Owls visit Banham Zoo for a wonderful day out. You can see lots of photos on our website and on our Facebook page. The children were extremely well behaved and thoroughly enjoyed themselves. There were a lot o sleepy children on the coach back to school.

On Wednesday this week, Kestrels will be heading over to Bury St Edmunds market to sell the things they have been making as part of their enterprise project. Please come along and support them as they have worked so hard for this.

The deadline for payment for the Herons visit to Linton Zoo on **Wednesday 1st July**. So far only 8 people have paid. We have asked for a contribution of £13.50 per child otherwise the trip will have to be cancelled.

Super citizen

Well done to Gracie-Mae Holland who has been a brilliant Brandonian and has been using her spare time to litter pick in Brandon. She is setting a wonderful example!

Staffing

You have probably heard the good news that Miss Herrington is pregnant. She had hoped to work up until the end of term, but has had to take some time earlier than planned. Mr Alastair Grandison will be taking on Miss Herrington's teaching duties from September, and I am very pleased that we have been able to have Mr Grandison start a little early. He will be taking PE lessons on Monday, Tuesday and Wednesday afternoons until the end of term. We have taken the decision to move the Y4 and Y5 maths and literacy groups back into their classes until the end of term and Mr Grandison will be working in class with the class teachers until then.

We are very sad to announce that Ms Racine will also be leaving Glade, to return to her original career of nursing. We all wish her well in this change. Ms Racine will be replaced by Miss Amanda Turrell who will start in September.
