## What do you think?

We are all extremely proud of our school and of our children who come in to school, day in, day out, always trying their best. The staff work far harder than you can imagine to produce exciting lessons and school memories that will last a lifetime. We're human and sometimes make mistakes, but what we want more than anything is for our children to succeed and we will keep on working to make that happen. Please spend a few minutes to feed back your thoughts of Glade at the ParentView website. Even if your child has only just started, we'd love to hear what you think.

## Early Years—Well done!

Mrs Price and Miss Airdrie (in the office) would like to thank all the Year R parents who returned the yellow health forms so promptly. If you haven't yet done so, please send your child's form back ASAP.

## Flu immunization

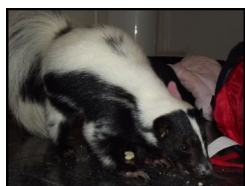

Children in Years 1 and 2 were sent home on Friday with information and an consent form for flu vaccinations (nasal spray). Please read and return to the school office by **Friday 2nd October**.

## Exciting news!

We have a very exciting afternoon planned for your children on **Tuesday 13th October**.

Children will be treated with a visiting magician ([www.thetrickytwister.co.uk](http://www.thetrickytwister.co.uk)) and animal encounter show ([www.jurassic-encounters.co.uk](http://www.jurassic-encounters.co.uk))

It looks to be a brilliant and informative afternoon. to allow us to put on activities like this we ask for a small parental contribution towards the cost. We would be grateful if parents could contribute **£1.50** per child. Please send money in a named envelope to your child's class teacher.

## Keep up to date!

Don't forget that there are lots of ways you can keep up to date with what's happening at Glade.

## New play equipment

The children are so excited about the new play equipment that was fitted this month. It's easily the biggest thing we've had fitted (apart from the new building!) and has gone down brilliantly with the children. They are now clambering and climbing, building up their strength and agility and above all, having fun! We must say a huge thank you to the Friends of Glade who contributed £1,500 towards the £9,000 cost.
