Safety & Security

The wooden gate is opened at 8.40am each morning so that the children can go into the playground. Please do not get to school too early as you will just end up waiting. There is always a member of staff on the gate so that once a child is in school, they are not able to leave.

Please can parents make sure that they supervise pre-school children when in school. We have had a couple of incidents recently when young children slipped away from their parents. One child was spotted and returned quickly; the other only took a few minutes, but those minutes were worrying.

Finally, please make sure that your child does not ride their bike/scooter when on school grounds as this can cause a danger for others. Bikes & scooters must always be pushed. Thanks you.

Behaviour

It is always a pleasure to show parents and visitors around school and see the high standards of behaviour in class. Our children are always great ambassadors and uphold the rules and expectations of our school.

On occasion, children sometimes let us, and themselves, down and do not behave in the way that is expected. This is dealt with dependant on the age of the child and on the seriousness of their actions.

One of the sanctions that we make use of is lunchtime detention. If a child is given a lunchtime detention, parents are informed and the child is kept in with one of the Senior Leadership Team.

If a child receives **3** lunchtime detentions within a half term, it is clear that their behaviour has dropped well below the standard expected. For that reason, we remove the privilege of going to school clubs and to the school disco for that half term. We save those fun activities for the children who work hard, behave well and deserve the privilege.

Coming soon!

For those who loved Glade Fest in the summer, save **Wednesday 16th December** in your diaries. At 2.30pm, we will be holding an outside carol concert for parents on the school playground. Wrap up warm and bring your singing voices! **2.30pm - all welcome.**

Magic & animals

Don't forget that children have the treat of a visiting magician and animal encounter show on the afternoon of Tuesday 13th October.

It looks to be a brilliant and informative afternoon. To allow us to put on activities like this we ask for a small parental contribution towards the cost. We would be grateful if parents could contribute **£1.50** per child. Please send money in a named envelope to your child's class teacher.
