## Parents' Forum

This term's Parents' Forum meeting will be today, Monday 14th December at 1.00pm. If you are coming to the Early Years nativity performance, you can come to the Forum first, and then go on to the show!

Topics for discussion are morning lining up as well as ways to help you child with home learning. All of our parents are welcome to attend the parents' forum.

## Christmas Carols

Don't forget our outdoor carol concert this **Tuesday 16th December at 2.30pm**. Parents are invited to join us to sing a range of Christmas carols, both old and new. Don't worry that you may not know the words. Carol sheets will be provided so that everyone can join in!

## ParentMail

After Christmas we will be upgrading our ParentMail service to the new **ParentMail X** platform. This new and improved version will still allow you to receive emails and text reminders and pay for meals, but will also allow parents to book parents' evening appointments. It has its own dedicated phone app and all messages are sent straight through to the app as well as to your email address.

When it is time to upgrade, we will send you full details on what you need to do. Until then, there is nothing to do!

## Christmas tree

We have an amazing, 10' tall Christmas tree in the school hall. It is free to anyone who can take it at the end of term. If you saw it at the Christmas fair, you will know how impressive it is. It could be yours!

Just ask at the school office. You must be able to collect during the afternoon of Friday 18th December.

## Glade's Got Talent

This is your advance warning.....Glade's Got Talent is back! On **Wednesday 3rd February 2016**, pupils will have the chance to show their skills. You may be a great singer, a talented dancer, an expert juggler or something even more exotic. If so, that's the date when you can show everyone what you're made of. More details will be sent out after Christmas. Until then, get practising your talent!

## End of term

Term ends on Friday at 3.15pm (we don't do early closing!)

Term starts again on **Tuesday 5th January** at 8.50am. There is no school on Monday 4th January, as all the teachers have a maths training day in Mildenhall.

## School discos

Disco tickets are no longer on sale but can be bought on the door, priced £2 each.

Please note that a few children have had their invitation to attend the disco withdrawn, due to their poor behaviour. We would ask that if this is the case, parents do not try to bring their child to the disco to avoid any embarrassment.

## The week ahead

It's a very busy week with events for parents so here is a summary of what is happening when.

Monday:	1.00pm	Parents' Forum
	2.00pm	EYFS nativity
Tuesday:	2.00pm	KS1 production
Wednesday:	1.30pm	EYFS nativity
	2.30pm	Carol concert (outside)
Thursday:	2.00pm	KS1 production

## Over the holiday

I'm sure you will all be having a busy time over the holiday, with much to do. However, please set aside a little time for reading, spelling, number bonds and times tables. Two weeks off school with no work can put children back when they start the new term. A little practice over the holiday really will help your child. Try to read at least three times per week. When a child does no work over the holiday, it has a negative effect on their progress. Thank you for your support.
