

## Easter Egg-stravaganza

We had an amazing range of eggs brought in at the end of last term as you can see from the photos below. Thank you so much to all of the children and parents for their hard work.

## Reading

The most valuable thing that parents can do to help their child's education is to read with them every day. 10 minutes reading daily, talking about the book and why things happened makes a huge difference!

## Welcome back

It seems hard to believe that it is already the summer term, but here we are, getting ready for the final term of the year.

We welcome back Miss Herrington who has been away from school for nearly a year on maternity leave. Miss Herrington will be working with children across the school in small groups.

We also welcome Mrs Callingham, who will be working as a Teaching Assistant in Skylarks.

## Clubs

The clubs list will be sent home via PMX later this week, with club sign up next week (date TBC). As for previous terms, we keep the cost low, at a nominal £1 per session but do ask that children commit to a whole term. Check your inbox for more information.

## E-Safety

We have updated some of the resources that parents can download from the school website that will help you keep your child safe online. The new documents are:

Know IT All - Supporting young people online  
Know IT All - Supporting young people online (Polish)  
Know IT All - Keeping up with Children on the Internet  
A parent's guide to being share aware

If your children ever go online you need to read these! You can download from the link below.

## Parents' Evenings

Thank you to all who came to parents evenings. It was great to see so many parents there, supporting their children's education. We do not have a parents evening in the summer term. Instead, parents will receive their child's annual report, with the option to meet with the teacher to discuss the report if required. Reports are due to be sent home on Tuesday 12th July. We will be trying out a new report format this year. Those at the last Parents' Forum have already had sneak peek!

## ParentMail

We have now fully moved over to ParentMail X and will no longer be sending home letters via Parent-Mail 2. if you haven't yet made the switch, please do so ASAP so that you can still keep up to date.

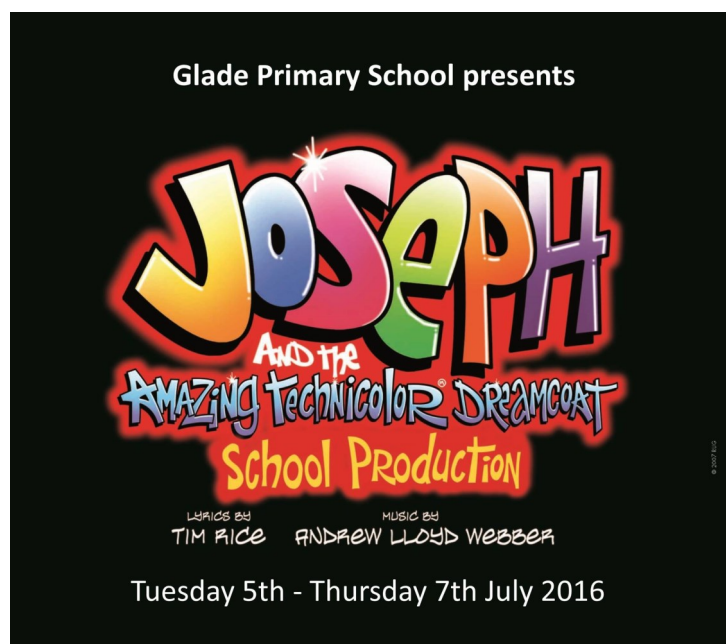

## Joseph & the Amazing Technicolour Dreamcoat

Auditions for Joseph are after school on Tuesday.

The show is for everyone on KS2, with some as main characters and some as the chorus. We will be looking for some amazing singers and actors so if your child is interested, they need to come to the drama studio after school on Tuesday (until 4.30pm). The audition song is "Joseph's Coat".

As preparation, your child may wish to watch some clips on YouTube and get to know the songs and the story.
