

Macmillan Coffee Morning

The Friends of Glade are hosting a coffee morning in aid of Macmillan Cancer Care this Friday (30th Sept.) Coffee will be served from 9am.

Also that day, pupils will be able to come to school in non uniform, as long as they dress in green and they pay a 50p "fine", with all money raised going to Macmillan.

Mornings in the playground

We have been approached by a number of parents who are unhappy by the way other parents are acting when dropping their children off at school in the mornings. We ask that parents do not wait in the lines with the children, but move away and stand alongside the field when the bell rings.

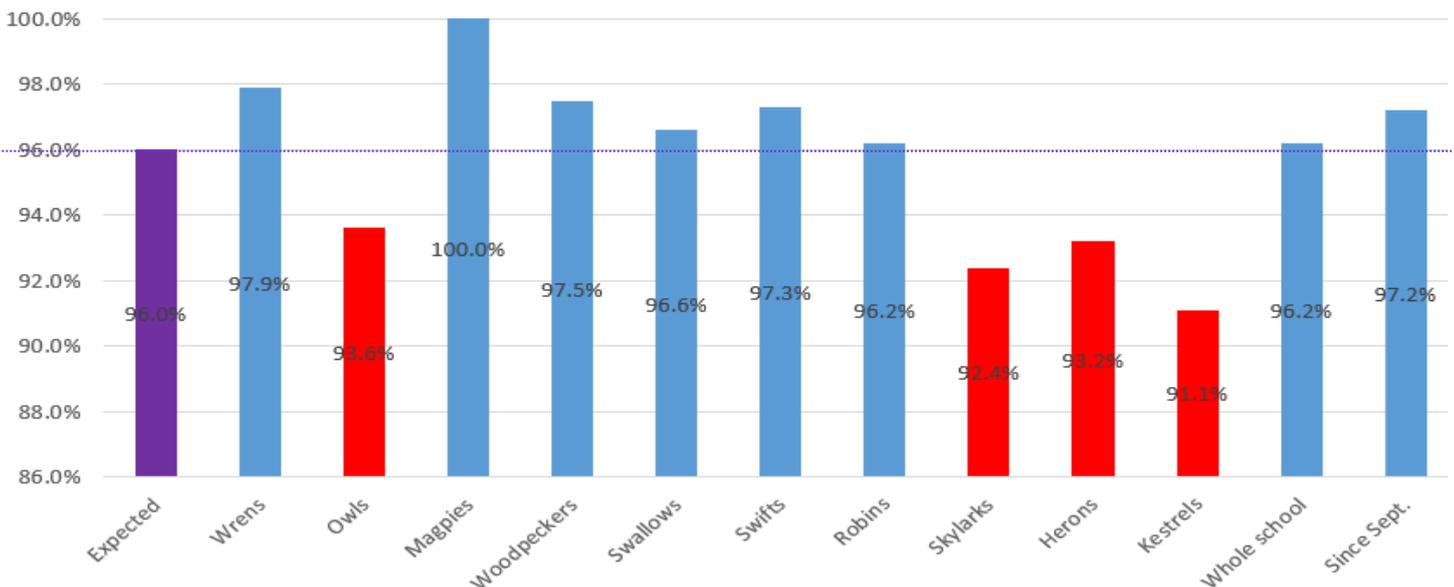

Please move away from the lines when the bell rings so that the children can be taken into class by their teachers. When parents wait in the lines it makes it difficult to settle the children and to move them into class. This is a system that we have had for 2 years and when everyone follows the system, it works well. It stops working when people decide that they want to do something different. With nearly 300 children to register each morning, we have to have a working system. Please help us make it work.

Meet the governors

There will be an opportunity to meet staff/governors on **Wednesday 19th October at 9am**. Each term, we have a parents forum where parents can become more involved in decisions about school. We are including governors in these sessions as they are an integral part in the strategic development of Glade. If you have any points that you would like raised, please pass them in to the office before the date.

School Trips

It's a very exciting term at Glade. This weekend, pupils from Y5 and Y6 set off on an expedition to wildest Lincolnshire for a weekend away at PGL. There will be more information in next week's newsletter.

On 10th October, pupils from Y4, Y5 and Y6 will be getting a huge dose of culture when they visit the Snape Prom in Aldeburgh. We are all really looking forward to the visit!

ParentView

It's like TripAdvisor, but for schools!

One of the ways in which parents can have a voice is through filling in the inline survey on ParentView. There are 12 simple questions for you to answer. They are all multiple choice and you don't even need to type!

<https://parentview.ofsted.gov.uk/>

Please take a few minutes to fill in the survey. Like all surveys, there can be a tendency for people to not bother if they are happy with the situation. Please don't do this. For any survey to be accurate we need to get the opinions from everyone.
