Staffing

Parents have been informed of the classes for next year and we will be saying goodbye to some of our staff. Miss Rogers is leaving to work in Cambridge and Ms Jardine will be moving to work in Mildenhall. We are also losing Mrs Prior, Miss Frewer and Miss Arnold and we wish them all well in their new jobs.

As you will be aware, I will also be leaving this term. After 7 years at Glade, I have decided that it is time to move on and will be moving to work at another local school. Whilst the IEB recruit a new Headteacher, an interim Headteacher will be in post. This will be Mr Philip Illsley who will be at Glade 4 days per week.

I hope to be able to see as many of you as possible over the rest of term, but if I don't, thank you for your support over the last 7 years. Glade has changed a lot over this time and I am honoured to have been part of Glade's growth. For me, what has made Glade special has been the amazing children that we have and this is what I will really miss.

Attendance

Sex & Relationships Education (SRE)

This week, the children will be taking part in SRE lessons. Copies of the scheme of work were sent home to parents a few weeks ago and we had a meeting for parents last week. Unfortunately, no parents came to the meeting.

Your child may have some questions for you after their SRE lessons. Please be as honest and clear with them as possible. Each class will have a "worry box" for children to put any questions they have anonymously and staff will answer them during the sessions. However, the children will no doubt want to

Mobile phones

Some parents are still insisting on using mobile phones whilst on the school site. Please respect our rules on this and refrain from using mobile devices whilst at Glade. This includes on the playground. This measure was introduced as part of our safeguarding procedures a few months ago. There have been incidents in other schools of visitors photographing or videoing children. This is something that we wish to avoid which is why we ask that phones are kept away.

Help us win £5,000!

Please help our school to win £5,000 of National Book Tokens - enough to buy hundreds of new books for our library. You can also win £100 of National Book Tokens to spend on yourself! To nominate Glade to win, just go to the link below and fill in the form. Good luck!

Creative Critics

We are incredibly proud of our Y5 children who have taken part in the Creative Critics programme. Not only have they represented Glade so well, they put in an amazing amount of work to be awarded Arts Awards as part of their CC work.

The real icing on the cake is that 5 of our children will be visiting London this week to speak at the National Governors Association conference. Good luck to Kia, Michael, Poppy, Ross and Lilly and thank you to Mrs Smith and Mrs Sparks who will be taking them down to London for the day. The children have already practiced their presentation, but now have the challenge of public speaking to a large group of adults. On a plus side, they get to do it in a swish conference centre with a posh lunch included!

Hot weather

As we are having some lovely warm weather at the moment, please remember to provide a hat for your child. We don't permit children to bring in suncream, but you can get sun protection that can be applied before school and that will last until lunchtime. Please also remember that children should bring in their water bottle every day.

Collection at 3.15pm

Staff dismiss the children to parents/carers waiting on the school grounds once the bell rings at 3.15pm. However on several occasions lately we have children still un-collected quite a while after the bell has gone. We do not have staff around to look after them so please do try to arrive at 3.15pm.
